SMART kapp™ 42 reinvented dry-erase flipchart

- A 21st century alternative to the conventional flipchart. Capture, save and share ideas and notes before you erase it. Save directly to your device as jpeg or PDF.
- The free app allows you to connect your iOS or Android device to save content and share your work in real time.
- As content is written on the board it can be shared instantly with up to 250 users via the live web-sharing feature enabled by the app.
- Tap the camera icon on the board to save your work.
- Optional mobile stand system for mobile SMART kapp 42

SMART kapp™ 84 reinvented dry-erase whiteboard

- A 21st century alternative to the conventional dry-erase board. Capture, save and share ideas and notes before you erase it. Save directly to your device as jpeg or PDF.
- The free app allows you to connect your iOS or Android device to save content and share your work in real time.
- As content is written on the board it can be shared instantly with up to 250 users via the live web-sharing feature enabled by the app.
- Tap the camera icon on the board to save your work.
- Optional mobile stand for mobile SMART kapp 84

SMART Board 2000 Pro Non-interactive display

- The SMART Board 2000 Pro series is perfect for any room where teams share ideas and brainstorm. Wireless screen-sharing and non-touch design make the 2000 Pro series perfect for showing pitches, collaborating on projects and delivering presentations from all sorts of devices.
- The 2000 Pro series gives everyone a chance to show what's on their Apple, Android and Microsoft devices right out of the box, without plugging in laptops, installing apps or needing additional hardware.
- Wall bracket or mobile stand additional cost

SMART kapp iQ 6000 series Interactive display with built-in iQ

- SMART kapp iQ offers the same familiar whiteboarding experience as SMART kapp, but adds the ability for:
 - Two-way inking
 - Panoramic whiteboard to pan left and right on 4x the usable whiteboard space
 - Wi-Fi with web browser
 - Wireless screen sharing (Airplay, Googlecast, Miracast)
- Participants contribute back to the board from their device in real time.
- 2 pens
- Wall bracket or mobile stand additional cost

SMART Board 6000 Pro interactive display with built-in iQ

- SMART kapp iQ Pro has all of kapp iQ's collaboration features, plus even more ways to share ideas through powerful SMART Meeting Pro™ software.
- This powerful productivity and collaboration software enables you to work together in an Unbound Workspace to create, share and interact with your content and ideas.
- 2 pens
- Wall bracket or mobile stand additional cost

SMART Board 7000 Pro interactive display with built-in iQ

- HyPr Touch™ technology: Lets you write and touch with unparalleled precision and responsiveness
- Greater connectivity options (VGA/HDMI/DisplayPort) with 4 x source input preview
- 4 pens and dedicated eraser
- Ideal for advanced project management, design review, and technical meetings, with plug-in support for Adobe Illustrator, Autodesk Navisworks and Tekla BIMsight
- Wall bracket or mobile stand additional cost
